

STC Portfolio Guidelines 2022/2023

Welcome to the Schuylkill Technology Center Portfolio Process. You will be asked to develop pieces of the portfolio each year you are at STC so that by the completion of your time at STC, you have a product that will help you enter the workforce, college, or military. The information you include will reflect your skills and accomplishments for your future in compliance with the Pennsylvania Career Education and Work Academic Standards and PA Career Readiness Index.

Upon Graduation from STC, you will receive an unofficial copy of your Transcript, your STC Certificate of Completion, your Program of Study Completed Task List and NOCTI/NIMS Results. A portfolio template will be provided by your instructor in Google Classroom. You should also save your portfolio to a personal digital space (flash drive, google drive, iCloud, etc.) so you have the documents available to you after graduation.

Each of the following assignments will be graded and an overall cumulative grade will be calculated for a final portfolio grade.
