Crane Operator Job description

EMR, the global forerunner in metals recycling is hiring! If you're looking for a great opportunity that will allow you to enter the recycling industry we thank you for your consideration. We are a privately held company with a heritage dating back to the 1940's, employing 4,500 people operating at 180 locations around the world. We offer an excellent benefits package, dynamic company culture, and ample opportunity for professional development in an ever-relevant and growing industry. To learn more about EMR please take a look at our website: <http://us.emrgroup.com>

We are currently looking for full-time Crane Operators to assist with metal recycling activities. This position will be based out of our Hazelton, PA depots.

Responsibilities:

- Load and unload scrap metal materials, bales, bins, boxes, crates, etc. onto and from customer trailers, truck beds, bins, and other cargo as needed
- Transfer all necessary materials from one place to another; pick up falling material during transfer
- Ensure a clean and orderly workplace; clean and prepare sites by removing debris and possible hazards
- Adhere to, evaluate and maintain proper service logs and maintenance requirements
- Adhere to operating and health and safety protocols
- Performs other duties as assigned.

Requirements:

- Minimum 2+ years of consecutive crane operation experience
- OSHA/Safety certification preferred, but not required
- Ability to work independently as well as within a team environment
- Knowledge of scrap metal commodities helpful.
- Ability to perform all physical, mental and environmental job functions
- Ability to work in all elements such as rain, cold, and heat
- Ability to handle stressful situations, manages time, and multitasks
- Ability to communicate effectively in both spoken and written form
- Ability to pass a criminal background check, physical, and drug screening

WE OFFER:

- Competitive salary
- Comprehensive benefits including health insurance and 401(k)
- Paid Time Off
- An ethical, responsible work culture
- A fun work environment where our teammates feel appreciated

ENVIRONMENTAL JOB REQUIREMENTS AND WORKING CONDITIONS:

- The work environment and physical working characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform these essential functions:
- Outdoor position in all-weather elements (hot/cold, rain/snow)
- PPE Requirement: steel toed boots, safety glasses, hard hat, high visibility clothing, ear plugs
- Exposure Issues: dust, fumes, possible high noise levels

EMR is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex (including pregnancy/childbirth), sexual orientation, gender identity, gender expression, genetics/genetic testing, national origin, or protected veteran status or any other characteristic that is protected by applicable law and will not be discriminated against on the basis of disability. Come as you are, we embrace diversity!
