

Funding Opportunities

Schuylkill Technology Center participates in various federal, state and local financial assistance programs. Listed below are the resources available to students attending the CDL, Heavy Equipment Operator or Combo programs.

Student Financial Aid will not cover 100% of the training program expenses. All balances due that are not covered by financial aid funds are the responsibility of the student. Students are urged to work with the school to learn of additional funding opportunities that may be available or to setup satisfactory payment arrangements.

Federal PELL Grant Program

<https://fafsa.gov>

CDL & HEO students cannot receive a Federal Pell grant for programs even if your FAFSA application says you may be eligible to receive one. The CDL & HEO programs do not meet all program eligibility requirements set forth by Congress for this award.

Combo students – Upon completion of the FAFSA application, if students are determined to be eligible to receive a Pell grant, they could receive a 20-21 Pell Grant award of any amount between **\$505** and **\$4,765**. *** Students **CANNOT** receive a full Federal Pell grant even if the FAFSA application says they may be eligible to receive it.
