

## MACHINE TRADES

In order to provide maximum safety for the student and to maintain a standard equivalent to that found in the world of work for which the student is being prepared, it is recommended that the following standards of dress be adhered to:

**SHOES:** Leather steel toed shoes. NOTE: Sneakers and sandals are forbidden. Open laces are prohibited in the shop area.

**CLOTHES:** Short sleeve black work shirt (dickies or similar)  
Work pants are recommended but not required.  
T-Shirts with offensive inscriptions or illustrations are forbidden.

**HAIR:** Hair must be confined to insure safe operation of machinery and equipment.

**JEWELRY:** Jewelry of all kinds is prohibited because it presents a safety hazard.

Additional dress requirements to insure maximum safety may be adopted by your instructor.
