

Schuylkill Technology Little Learning Center

The Schuylkill Technology Little Learning Center is a preschool operated by students of the Early Childhood Care & Education Program, supervised by a certified instructor. The staff and students of our program enjoy sharing with the parents the opportunity to help nurture and care for their children. Our student learners strive to foster the social, emotional, cognitive, and physical growth of all children we serve through various, developmentally appropriate practices. Our student learners are here to help your child capture enthusiasm for learning.
