The Schuylkill Intermediate Unit 29 will not discriminate in its educational programs, activities, or employment practices, based on race, color, national origin, sex, sexual orientation, disability, age, religion, ancestry, union membership, or any other legally protected classification. Announcement of this policy is in accordance with state and federal laws, including Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, The Age Discrimination Act of 1975, and the Americans with Disabilities Act of 1990. The Schuylkill Intermediate Unit's commitment to non-discriminatory practices extends to prospective students and employees, current students and employees, parents of students, community members, and representatives of outside agencies.

The mission of the Schuylkill Technology Center Postsecondary program is to enable the adult student to acquire the attitudes, knowledge, skills and values necessary to become a life-long learner and a productive citizen of a global economy by developing an educational pathway for excellence driven by a partnership with education, business, industry, government, family and the community.
