

Dear Parent or Guardian:

During the course of the school year the Welding Program plans on viewing videos. While the videos pertain to the Welding Program, some of them include graphic scenes. With your written permission, I will be showing videos throughout the semester. If you choose **not** to give your consent, your child will be given content work that directly ties into the Welding lesson. Please select an option below and provide your signature so your child can return the detached bottom portion of this permission slip. Thank you for your cooperation.
